

SPECIAL REPORT

Unlocking the Power of Quantum Healing and Endless Energy in Times of Change

In this special report, Dr. Jean Houston shares how to tap into one of the 5 Quantum Powers she's discovered, "The Power of Quantum Healing and Endless Energy," to create a new reality, regardless of what is happening around you.

If you aren't already familiar with Jean, she's a scholar, philosopher, author, researcher in human capacities, and one of the principal founders of the Human Potential Movement. Jean has collaborated with some of the most influential leaders in the last century including Buckminster Fuller, Margaret Mead, Jimmy Carter, Aldous Huxley, Joseph Campbell, Eleanor Roosevelt, and Bill & Hillary Clinton.

Deepak Chopra called Jean, "The most important person alive in the world today when it comes to human and social potential."

However, of all of Jean's extraordinary gifts and abilities, her most potent superpower is her ability to ignite greatness in others.

Recently, Jean sat down to share how to begin tapping into "The Power of Quantum Healing and Endless Energy" and why doing so can help you thrive no matter what is happening in the world.

1. What are Quantum Powers?

JEAN: *Quantum fields have been known about for some time now, but it's only very recently that a few of us – and I'm one of them – have been figuring out ways to bring these Quantum Powers into daily life in ways that allow you to step into much, much larger possibilities for your life.*

Quantum Powers are based on the recognition that we not only live in the universe, but the universe lives in us. With a turning of the mind and the psyche, one can tap into this great universal, loving, creative force and use it for the manifestation of healing and greater possibilities.

2. What are the SHIFTS people can expect after tapping into "The Power of Quantum Healing and Endless Energy?"

JEAN: *By tapping into "The Power of Quantum Healing and Endless Energy," you will experience increased bursts of inspiration and creativity, allowing you to accomplish more at optimum energy levels. You will develop profound healing and energizing techniques to more clearly 'feel' into issues that arise in your body, intuitively knowing how best to approach them. You will come to know and experience yourself as deeply loved and cherished. You're empowered, you're affirmed, and the fullness of you is ignited.*

3. How can people use this Quantum Power to address the health issues & energy drain that they may be experiencing?

JEAN: *Finding nourishment through the quickly shifting world dynamics is the key. 'The Quantum Power of Healing and Endless Energy' allows you to find nourishment and nurturing through silence. It can help you tap into the things that are trying to rise up—the spiritual things.*

4. What steps can someone take to begin tapping into this power right now?

JEAN: *You must begin by connecting with (what I'm calling) your 'quantum partner.' Write a letter to this all-knowing, all-loving spiritual partner—whether you call it the entelechy, God, Aegis, or just 'spiritual partner:'*

'Dear spiritual partner, how can you help me now? I feel...'

And insert whatever you feel. Then, respond back as the spiritual partner, as a stream of consciousness. Listen deeper, and if you get words, say them out loud. As you write with your great, loving friend, know that so many potentials are being grown in you.

5. Why do you believe “The Power of Quantum Healing & Endless Energy” is so important?

JEAN: *It's possible to tap into a deep reservoir of energy that is provided by the universe. 'The Power of Quantum Healing & Endless Energy' is about becoming profoundly identified with the universe's endless energy. All of its energy, potency, and renewal is waiting to refresh you and light you up again.*

Join us at the upcoming online event to discover more about how to unlock “The Power of Quantum Healing and Endless Energy!”

Over the past decade, Jean has been conducting exciting research on how we can propel ourselves beyond many of the limitations we believe we have.

And in the upcoming online event, she will share her findings with you and show you how to begin overcoming those imagined limitations to reach a higher state of empowerment.
